

Beloved  
Mrs. Ballard's  
*Round Table Talks*

**ELOHIM OF GOLD**

***Q. Beloved Mama, would you tell us something about the Elohim of Gold?***

Mrs. G.W. Ballard: The Beloved Elohim of Gold, Beloved Ones, governs the Power of Precipitation of that Golden Ray from the Sun which condenses as the substance we know as gold. And it grows in the Earth just like a plant grows on the top of the ground. Because if you study the many formations of gold within the white quartz or the various channels where you find it—when you come to the study of what they call wire gold, it grows in a white quartz just like trees. Some of it is the most beautiful thing you've ever seen, and it grows and expands just like a plant. It looks like a tree of gold growing, or a vine growing within the white quartz and is extremely beautiful and intensely pure. It's completely pure, and so is the white quartz that is the matrix in which it grows. It's very, very important—it's a very important Purification to the actual substance of the ground we walk upon.

***Q. Who is the Elohim of Gold? Is it Cyclopea?***

Mrs. G.W. Ballard: No, It's Beloved Elohim of Peace. He governs the Golden Ray, although Beloved Cyclopea also uses that Golden Ray in the Power of Precipitation; but the outer radiance is green.

## *Round Table Talks*

***Q. We are familiar with the Seven Mighty Elohim of Creation. How many other Elohim are there? You call to the Elohim of Gold and the Elohim of Music.***

Mrs. G.W. Ballard: The Elohim of Music is the Beloved Mighty Cyclopea, and the Elohim of Gold is the Elohim of Peace. So there are only Seven Mighty Elohim concerned with this System of Worlds. 580920.1

***Q. You are calling to the Elohim of Gold. Is He the eighth Elohim?***

Mrs. G.W. Ballard: No, there isn't an eighth Elohim. There are seven Elohim. The Elohim of Gold and the Elohim of Peace are under the same Flame. They are the Outpouring of that same Flame. 580920.3

***Q. Will you tell us something about the Elohim of Gold?***

Mrs. G.W. Ballard: I'm glad you asked that question, because since that is the Cosmic Being that governs the activity of gold to this Earth together with Mighty Helios and others of the Ascended Host, we should give that Great Being Love and Gratitude and a Call for the Love and Gratitude and Protection of the gold within our Country. *Demand that the gold that God has placed in America be compelled to fulfill its Divine Plan here and not be sent somewhere else in the world!* We're the only nation in the world that doesn't have the right to use its own gold. It's a criminal thing, and the people that are trying to sell America down the river to slaughter and slavery have taken the gold out of

our Country—given it to other nations. They've paid their national debts, and we are saddled with three hundred and eighty billion dollars of debts.

Now it's time we rose up and did something. So let us call, and the next time we give Decrees we'll call to the Elohim of Gold. I've been calling to Him privately for some time myself—to the Beloved Elohim of Gold, the God and Goddess of Gold, the Elohim and Legions, the Angels and Legions and Great Cosmic Temple of Gold that are the Cosmic Authority and Control of that gold in this physical world, and especially all who are the Authority of its control in the United States of America. *And blast the beast out of existence that wants to keep that gold from rendering its Purifying Blessing to the people of our Land and the world. And drive and bind back into the brain of anybody that wants to keep the American people from having the purifying blessing of their own gold—put it back in their own brains and bodies, and let it take its toll there.* I'm glad you asked the question, and we'll go to town on it and have some Decrees while we're about it.
