# THE VOICE OF THE “I AM”

BY THE ASCENDED MASTERS AND THEIR  
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

---

Welcome to the Saint Germain Press! The Books and Materials, through Saint Germain Foundation and Saint Germain Press, are the original Words as given from the Ascended Masters and Cosmic Beings through the Accredited Messengers, Mr. and Mrs. Guy W. Ballard.

**BELOVED SAINT GERMAIN SAYS:** “These Books at the Inner Level are bound in Covers of Jewels, and the Ascended Masters’ Words in those Books always carry Ascended Masters’ Radiation from the Ascended Masters’ Consciousness and the Ascended Masters’ Octave of Perfection. . . .

“And here I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the ‘I AM’* and on your recordings . . . and published them in various books of the outer world! . . . The Ascended Masters’ Radiation is *not* in those books and will *not* be!

“So I say that for everybody’s Protection. . . . *You can read all the books on this Earth and you will not find the Radiation in any that you find in the Saint Germain Series or The Voice of the ‘I AM’ or in the Dictations! . . .*”

Record CD 1275

loved Children of My Heart, it is with great Joy that We come again to visit with you for a short time, and I trust leave with you that which will continue Our Joy in your use of these greater Powers of Life's Perfection. I plead with you to arouse yourselves from the conditions of the outer world, and turning back to your "Blessed I AM Presence," demand that the Victory of Its Perfection surge through you and control everything in outer activity.

I want to sound a Warning tonight. Do not allow the outer world to consume you. Do you know what I mean? I say to you, you must take your Freedom if you're going to have It; for the world will never give It to you. I am speaking of the human creation of the outer world which, day by day, makes you think that everything is more important than releasing the Perfection of your "Presence" into yourselves to hold the outer world in its right place. If you allow it to absorb you, that is your responsibility. If you allow your "Mighty I AM Presence" to have clear flow through you, you will find your Freedom manifest, regardless of how that Freedom comes into outer action.

You must take your Freedom if you're going to have It in this world in the unascended state, because, I assure you, the outer world will continue to make demands upon you until it has absorbed you and incapacitated you, to allow the full Perfection of your "Presence" to come into the outer self and reveal your Mastery.

Now it seems to Me, you have served the outer world centuries enough; and in the great Mercy of Life that has closed the door of memory to your repeated bowing to the outer world's demands, you enter now into the opportunity to gain your Freedom while there is yet time. In the Freedom

which I have offered to Life, to the mankind of this world, there is not one thing in the Freedom We offer that is of distress. And the outer world cannot give you that no matter how much you give to the outer world. The outer world should be kept in its right place—as a channel of action into which you, by your Love to your “Mighty I AM Presence,” draw forth Its greater Powers of Mastery and produce Perfection in the outer world of which you are still master, instead of allowing the outer world’s creations to dominate you and make you believe that you must bow to the demands of the outer world in order to exist.

Precious Hearts, “I AM” endeavoring to set you Free. I want you Free, and I hope you want to be Free as much as I have loved you through the centuries. (*applause—audience rising*) Thank you, Precious Ones. Won’t you be seated, please, and just remain so.

Now when you meet conditions of the outer world that demand your attention incessantly—periodically, I hope you will do this; and I mean several times a day. When you begin to feel the pull of the outer world until it makes you weary, if you will go by yourself for just one-half minute and turn back to your “Mighty I AM Presence,” and placing your head within Its Heart and reaching up and putting your arms around that “Blessed I AM Presence,” demand that It enfold you, and that Its Hand sweeps into the outer world condition and forces it to give you your Freedom. You will find in your Love to your “Presence,” as you ask the Release of Its Power into your affairs and outer world conditions to turn every demand of the outer world into a Miracle and Victory of Freedom for you, you leave the Door open for the Transmutation to take place that your “Mighty I AM Presence” accomplishes, through the use of the Violet

Consuming Flame to dissolve the wrong conditions in the outer world's demands that tie you to discord. So from tonight, if you would like My Freedom, you may have My Freedom! (*applause*) Thank you, Precious Ones.

And when problems surge upon you and crowd in to absorb you, if you will just go by yourself for just one minute, perhaps, and sending your Love back to your "Presence" and resting within Its Arms, you demand Its Cosmic Power charge into a condition and force that condition to give you your Freedom. Then that Freedom will manifest in whatever way will bring Harmony to you—and also Harmony to the people or the things in the condition; for when your "Beloved I AM Presence" charges Its Almighty Power into a condition with the Command that It compels that condition to give you your Eternal Freedom, then you will find the condition adjusting to the place where it serves you instead of demanding from you your Life. "I AM" fighting for your Life!—do you realize that? (*applause*) Thank you, Precious Ones.

Now the outer world will take everything from you. It will absorb your life. It will use your energy. It will hold your attention until it has depleted you. But not so with your "Mighty I AM Presence." When you come back to live in the Love of Its Heart and demand that Its Almighty Authority and Power force every condition to yield you your Invincible Freedom from discord, then so shall those outer world activities manifest to you. You have to command It, you have to see Its action, you have to hold the picture. And you have to love your "Presence."

Oh, if mankind would only realize what would come into their outer experiences by enough Love to that "Mighty I AM Presence"!—if they would only realize that, the world could be transmuted almost overnight. I know whereof I speak,

My Beloved Ones, for I have poured My Love to the world; and when I gave My Love to the world and I demanded the Freedom of the world, I had Mine first. And so will it be with you if you come back and love that “Presence” and rest within Its Arms, demanding that Its Invincible Authority and Power of Victory force every condition to yield you Eternal Freedom. Then you will find your problems and limitations drop away one by one almost in a breath, and you will feel such release and such relief, because the Miracles for which you have called will become the natural condition of your world.

Do you remember the Decree I gave you in *The “I AM” Discourses*, “God, the ‘Mighty I AM Presence’ is governing with Invincible Power!” Well, so will that act for you. But what I am stressing today is that as you turn back to your “Presence” and love It, resting within Its Arms, you demand Its Invincible Authority and Power of Victory force every condition to yield you your Eternal Freedom. Then the Transmutation goes on, Beloved Ones. No matter what the appearance, stand true to your “I AM Presence” and love It first, and you will find It has many Powers that will surge into outer conditions and transmute them into Activities that have never manifested in your world before. And those Activities will bring you Freedom.

After all, your Freedom, My Dear Ones, depends on Love; and that Love is to your “I AM Presence” first. And as you give It your Love and rest within Its Love, then as you make your Demand for the conditions of the outer world to be reordered, your “Presence” is the Sacred Fire of that Eternal Love that moves in and compels everything to change into the Freedom of the Victory which that Love produces. This is the only Eternal Way to be free from problems and limitations.

We have offered this Truth to mankind through the centuries, but We cannot love the world for you and We cannot love your “Mighty I AM Presence” for you. That is your responsibility to It because It loved you first into outer manifestation. The Love of your “Presence” acted first to provide the condition into which It gave you the Flame of Itself, that you might come into being. And since your “Mighty I AM Presence” loved you first, the Law of Life is that you love your “Mighty I AM Presence” first; and then you can have all Its Authority and Power in all outer physical conditions by the use of the Sacred Fire that does transmute everything in existence into greater and greater Freedom, and greater and greater Perfection that forever glorifies the Source of Creation, the Great Central Sun.

So in turning your attention back to your “Presence” and resting within Its Love, as you give It your Love, you will find It will fill the Universe around you with the Sacred Fire of Its Love—which is Freedom to Life. And It will not only free you from distress, but It will free your affairs from that discord also. And then as your world expands that Sacred Fire will you find, wherever It goes by Conscious Direction, It, too, brings Freedom to Life wherever you consciously send It forth.

So, Beloved Ones, if you want Freedom, then the Sacred Fire from your “Mighty I AM Presence” must flow into everything that seems to be a limitation to you this hour. And if that limitation be of the body, then if you will come back to your “Presence” and give It your Love and rest within Its Love of Its Heart, demanding that Its Full Authority and Power of Its own Love coming into you commands and compels Freedom in you, so will Its Life manifest in you and to you the Freedom for which you call.

Freedom cannot come from anywhere else but God, the “Mighty I AM Presence,” with which We, the Ascended Host, are One. Freedom does not come in this world from human beings nor human creation nor human ideas. Freedom cannot come to the Nation nor to the world until individuals understand this “Mighty I AM Presence” which I have brought forth for the Freedom of the world. And when mankind pour their Love to that “Mighty I AM Presence” and rest within Its Love, demanding that Its Sacred Fire of that Love free the world or the Nation or the individual, so will those Manifestations come into outer action and enfold mankind in the raising of that Sacred Fire which compels Perfection manifest.

And so I just give you this thought today, that you may begin and use your own Authority of the Love of your “Mighty I AM Presence” as a Transmuting Power in your affairs to compel your affairs to give you Freedom. You must use the Authority of the Sacred Fire of your own Life; and when that comes from your “Mighty I AM Presence” into a condition, then, as the Commanding Presence, when you demand that the Love of your “Mighty I AM Presence” charge into a condition and force it to give you your Freedom, you will find your Freedom here.

You can also call forth that Love to force any condition to give you Protection against that which is not Freedom, the Freedom of the Ascended Host. So I trust you will enjoy using this Command; and I know you will enjoy resting within the Love of your “Mighty I AM Presence” to you as you give It your own Love first. The day you are happy in loving your “Presence” and resting within Its Love, you will not fail to use Its Authority and Power of the Sacred Fire, and charge It into your problems and into your affairs,

and demand and command that the Authority of the Sacred Fire of your “Mighty I AM Presence” force every condition to yield you the Freedom of Eternity and protect you in everything that is the Perfection of the “Presence.”

So I commend you this hour to the Happiness that will be yours as you experiment with loving your “Presence” and resting within Its Love as the Solution of every problem in your world this hour. May you feel that as a Blazing Sun Presence shedding Its Sacred Fire of Eternal Love into you and your affairs as the morning Sun sheds Its Radiance to the world and brings the Illumination by which mankind see where their Freedom abides and the way to attain It.

I turn you again to your “Beloved I AM Presence” and the Great Cosmic Law of Cosmic Love that demands that you love your “Presence,” your “Beloved I AM Presence,” and rest within the Love of Its Heart, there to abide until Its Sacred Fire sheds Its Radiance, Its Power, and Its Blessings into all around you with the Command that all in manifestation yield you Invincible, Eternal Freedom. This is the Victory that takes you to your Ascension.

So I enfold you in the Victory of My Heart’s Love for you that wants your Freedom, that you, in turn, may be a Sun of that Freedom to Life wherever you abide, and never again know aught but the Miracles of Its Perfection. May the Angels of the Violet Flame abide with you and be the Release of that Sacred Fire that transmutes all things into the Perfection of the “Mighty I AM Presence” for Eternity.

I thank you and commend you to your Freedom tonight by that Love that placed you here. May you feel It and be It and command It to manifest until Life forever blesses you, because It has been raised into Our Octave of Perfection forever. Thank you with all My Heart.

# FREEDOM

## GOD OF THE SWISS ALPS

**I**wish you to realize that Switzerland, given Her Freedom so long ago, guarded that Freedom that was given Her since way back in the thirteenth century. America was given Her Freedom, and in both cases, by the efforts of your Blessed Saint Germain. Now since these are the two points of the greatest Freedom upon the Earth, and since He is the Great Guardian of that Freedom for America, and that which He sought to do in Europe was His Gift of Love there, “I AM” the Guardian of some of His Work—in fact all of it in Europe.

There is an Inner Reason why the two Nations who have clung to Freedom are closely associated with the Power of the Gods of the Mountains and your Beloved Saint Germain. So We are ready to honor His Mighty Work of Freedom in America, because all that protects God’s Freedom in America will protect God’s Freedom in Switzerland. And all that protects Our Freedom in Switzerland will protect God’s Freedom in America.

**W**hen it comes to the control of Powers that otherwise would be destructive, when you acknowledge within yourselves—having first sent this Love to your “Presence” and the Great Central Sun Magnet—when you acknowledge, “ ‘I AM’ the Cosmic Law’s Victorious Control of the Powers of Nature and Forces of the Elements by the Victorious ‘Mighty I AM Presence’ which ‘I AM,’ and the Love of the Sacred Fire compels Perfection here,” then will you have come to you—through the Magnetic Power of that Love—the Beings of Nature and the Powers that produce Their Perfection through those channels. And by what you might call by coincidence, but which is only the action of a Law, will you find many things in Nature bringing you Blessings that you never dreamed could be yours.

The Beings of My Element bring tremendous Powers of Illumination to the intellect. When you demand that all the Beings of the Elements be now controlled by the Love of your Victorious “Mighty I AM Presence,” just keep charging It forth and see for yourselves what the Powers of Nature and the Beings of the Elements will do for you. There are many, many Secrets in Nature that man has never touched; and there are certain Secrets and Powers of the Beings of the Four Elements that mankind can never have until the Immortal Purity of that Eternal Love from the Great Central Sun Magnet is set into action to draw those Blessings and Powers into your outer use with the Power that is always the Guard against their misuse.

There are certain magnificent Powers and Beauties in Nature that mankind has never yet beheld, but which will come forth when the Purification takes place and Love has become the Law of the World. Then will Love reveal to you Its Own; then will the Illumination of all that Love can bestow become yours in outer action; then will the Explanation come forth of those activities of the Forces of the Elements and the Powers of Nature by which you have been blessed so many centuries.

**MIGHTY COSMOS**

Record CD 1775

**B**eloved Ones of God's Heart, let Us enter in tonight to the deeper Understanding, and full Conscious Use of the Authority and Power of that Love from the Heart of Creation whose Sacred Fire must descend into the physical conditions of this world—if Help is to come to that which is of the Light, and that Light allowed to expand and fulfill the Great Divine Plan as Life intends.

In the Service which it is My Privilege to render, I would ask your cooperation, tonight, in your Calls for the Release of Dispensations from the Great Central Sun that bring into all physical activities of your Land the Mighty Assistance of the Sacred Fire and Cosmic Light from the Heart of Creation necessary, to more powerfully energize and hold Invincible all that is constructive. And then if you will call for the Power of My Two Secret Rays to be anchored in and around everyone under this Radiation to hold the Guard for all that brings Freedom to America, and then for the anchorage of these Two Secret Rays in and around all throughout the world that is turning at this time and reaching to God for Assistance, to both stand against the destructive forces and to release into them the Power that consumes them.

The Two Secret Rays that come under My Direction mankind know very little about, and that Knowledge is what the Mighty Saint Germain has released over the last fourteen or fifteen years. My Secret Rays are a Service which I direct for the Assistance of mankind, but which must work in conscious cooperation with the cyclic action of the Cosmic Law that is sweeping throughout the whole System of Worlds. But you who consciously call for the Dispensations from the Great Central Sun to be given which draw the Power of these Two Secret Rays into your individual assistance to the Nation, then there can come many channels of Assistance to you which otherwise might be years yet entering into the physical conditions of this Land.

And while you must be as firm as steel against the encroaching accumulation of discord, yet, as you call forth the Secret Powers from the Great Central Sun into all physical conditions of your Land for the Defense of the people of the Light and all that is of the Light throughout America and

the world, many things can be revealed, and many channels can have charged into them Powers of Assistance of which mankind know absolutely nothing. Tonight I ask you, will you tell Me how many of mankind know what Powers are within the Great Central Sun? How many of mankind have conscious knowledge of, or are aware of, the Secret Powers of the Great Central Sun?

Now I am offering you this Explanation that, if in your Authority of Life, which is your Call to your “Mighty I AM Presence,” you set into action the Call for these Secret Powers to come to your Defense and the Defense of the Nation of the Light, for the Defense of all that is of the Light throughout the world, much can come forth in channels that are secret to the outer world, but not secret to those of the Ascended Host who are your Guardians, who are guarding the Destiny of your Nation, and who are the Guardians of all that is constructive throughout the Earth. And if you love your Country, you will set this into action as soon as possible.

I remind you again: call to your “Beloved I AM Presence” first, and recognize It as your “Mighty I AM Presence” in the Great Central Sun; for the “I AM Presence” is One throughout Creation. Therefore, when you call for the Dispensations and the Secret Powers of the Sacred Fire from the Great Central Sun to be drawn into all physical conditions, transcendent things can be brought into physical activity in a very short time. The separating process is already in action. There are those who are trying to hold to the Light as they understand It, to the constructive way of Life with all they are and have, whether they be “I AM” Students or not. And there are those who are deliberately defying the Cosmic Law of Good; and the segregation must go on, for the hour of decision approaches. And those of you who will, with fierce

determination, move into action the Secret Powers from the Great Central Sun—and the Dispensations that bring those Secret Powers into physical action—will have much to be grateful for. You will see much change take place that I am sure will delight you greatly and lift your Hearts with great courage and gratitude for the privilege of using these Powers for the mass of mankind’s Freedom.

If you will call the Great Central Sun’s Powers, Invincible Powers of My Two Secret Rays, into your outer physical conditions, into your outer physical use, It will bring you much Strength and Power; and your Victory will move into outer conditions more quickly to your own great Freedom and Victory over all that opposes you, or tries to. These Powers from the Great Central Sun that mankind cannot control must be called into physical conditions and release Their Action in Ways that mankind do not understand and do not even know are acting, because, I assure you, not all the destructive forces on the Earth can use the Secret Powers of the Great Central Sun or of My Two Secret Rays that I have offered for the Freedom of the Earth.

These are the Powers from the Octaves of Light, from the Great Central Sun, over which none of mankind have any control except it be by your Love offered to that Great Source, the “Mighty I AM Presence,” and those Secret Powers called into physical action for the Defense of everything that is of the Light throughout the world. Then you may understand many things that have been a Sealed Book to mankind through the ages. These Secret Powers that come from the Heights of Perfection come through the Release of the Dispensations for which you call. And those Dispensations set those Powers into action to control the action in physical channels and hold the constructive way of Life victorious.

It would be well for each of you to give some conscious recognition to My Two Secret Rays enfolding yourselves, those you hold near and dear, and that which is near and dear in your Country to those who love Freedom. And now I would ask you to also call these into action around all your Blessed Ones in the National Defense; for if your National Defense is to defend your Nation, then, may I say, the National Defense needs Our Defense. And if you knew what I know, you would agree with Me. (*applause*) Thank you, Beloved Ones. Fail not to set these into action quickly, and let Us see what We can do by the first of February.

I would appreciate every Call you can give if you choose to call these Two Secret Rays. And speak of Them as My Two Secret Rays, for They are My Direct Responsibility which I have drawn from the Great Central Sun in the Direction of those Secret Powers with which none of mankind can interfere. I would greatly appreciate your recognition and use of Them around yourselves for the Freedom of your Nation and the Defense of the Light throughout the Earth.

Now these Two Secret Rays of which I speak are the full Cosmic Action and Power of the Unfed Flame—what you have heard the Messenger say is the Power of the “Three times Three.” Further than that, I care not to elucidate just now. I would rather you would call these Two Secret Rays into action and watch Their Results and learn by your own use of Them what Power They reveal, and what Their Dominion is over the physical conditions of this world. There are Infinite Powers of the Sacred Fire from the Great Central Sun, and there is an Ever-expanding Release of Their Action to the Earth; but mankind can only understand Them as they love Them into outer action and use Them for the Perfection of the world. Then there are no secrets anywhere in the Universe.

If that which is held guarded within the Heart of Life, the Great Central Sun, is to be drawn into physical conditions of this world, then the Illumination concerning those Powers is given to mankind by those of Us whose province it is to reveal these Secret Powers to those who will use Them. Then they will understand Them, but there is no use giving to mankind Knowledge far beyond their comprehension when they have not used already the marvelous Assistance that has already been flooded to them and offered to them for the Freedom of all Life. But those of you who are sincerely determined that your Nation shall be Free, I will assist in every way possible.

These Secret Powers of the Great Central Sun can be drawn forth through the Sacred Fire and Miracle Love for which you have called and set into action to accomplish what that Sacred Fire alone can do. So I would appreciate all the momentum you can build in the use of this through your Decrees as soon as possible. And when outer world conditions seem chaotic until mankind hardly know what is right and what is wrong to do under certain circumstances, call to the Great Central Sun for the Secret Powers of the Sacred Fire's Illumination that makes no mistakes and moves into those conditions that Sacred Fire that strengthens all that is right and dissolves and stops that which is wrong.

You see, these Secret Powers of the Sacred Fire have within Them a certain Discriminating Action that knows ahead of time where to go and what to do to produce Perfection. If you will call the Invincible, Eternal Protection of My Two Secret Rays in and about you all, and all that is of God within your government, and then demand the Great Central Sun's Secret Powers that hold God's Invincible Freedom in

**To You, Beloved Precious Saint Germain, with all the Love and Gratitude of Eternity, we thank You—that You opened the Door and gave us the Eternal Secret of the Freedom from all human distress. full Possession and Control of your Land, it will hasten greatly the release of certain forces from your Nation under which you are all struggling.

I wish you to understand that in the use of these Two Secret Rays there comes the most Heavenly Peace and the sense of an Immovable Power that simply fills everything and controls it, a Power against which nothing destructive can stand. You call for the Secret Powers from the Great Central Sun to come in everywhere in your Nation and save your Nation. And you can call Them within and around yourselves; then there comes into action many Ways and Means from Our Octave that mankind has never beheld and can never oppose. Call for the Secret Powers of the Great Central Sun to protect those in your National Defense, and by the Mightiest Sacred Fire, compel the Purification that saves those in the National Defense, and saves them for the Defense of the Light of the world.

They need your help, Beloved Ones, against not only the destructive forces of the rest of the world, but the destructive forces that have crept within those channels that should be your Protection. Come to their assistance, My Loved Ones, with these Calls that I give you tonight, and you will never have cause to regret it. Those Blessed Ones that are trapped by the war creation of the world will ever be grateful for your assistance to them when these other forces seem to temporarily have control. Call for the Secret Power, all the Secret Power from the Great Central Sun, come in and control all in your National Defense, and you will have a Defense for the Freedom of your Nation. This Nation must have more Assistance from the Powers of Light, the Powers of the Sacred Fire that mankind themselves cannot control or release except through these Calls that We have given you.

So each one of you, when you understand and render this Service and hold the Harmony within yourselves, is as valuable as a million of the people of the outer world so far as the Protection of your Land is concerned. Every one of you is infinitely valuable to Us, because without the Call, these Secret Powers do not act in the physical affairs of mankind; but with the Call, Assistance without limit can be drawn into outer conditions that are to hold Protection of that which is constructive for the Blessing of the whole world.

When mankind understands that they have bound themselves in the darkness in which they cannot see, then chaos and destruction and confusion is the only thing that surrounds them. But when you call to the Heart of all Manifestation, the Heart of the Central Sun, to release the Secret Powers of the Sacred Fire in and around all that needs Protection, all that is of the Light, then there comes forth the most amazing Assistance to all that is constructive. That will bring into outer physical channels many things that mankind as yet have never used, but which can be used for the Protection of all that is of the Light everywhere in the world.

And will you always remember that everything that is drawn into outer action through those Dispensations is the Activity of a Love so great that mankind does not comprehend all that It means to Life. Within that tremendous Power of the Sacred Fire comes a Love to the Earth that consumes the hatred that has produced the hordes of darkness. You, the people of the Light, as you call these Two Secret Rays that come under My Direction into all outer conditions for the Defense of the world, for the Defense of the Light, for the Defense of those under this Radiation, as you call this

into outer action, that Love from the Heart of the Universe blazes Its Light, and that which is of the shadows ceases to be.

I am offering this to you tonight because the hordes of darkness think they have accomplished certain ends, and I would like your assistance to disillusion them as soon as possible. (*applause—audience rising*) Thank you so much, Precious Ones. Won't you be seated, please. This will have a twofold effect upon you as individuals as well as upon the world. It will both protect and expand the Light within you and the Light within Life everywhere in the world. It will protect that which is constructive and expand the Light which is within it, which means that It will force back into itself the destruction of the hordes of darkness. And that must be shut off because its expanding power will go on until you do shut it off.

So try to live within the conscious awareness of these Two Secret Rays that I shall pour forth without limit. Every time you call, there shall come another Expansion of the Power of those Two Secret Rays. And then in addition to that, as you call the Great Central Sun's Secret Power of the Sacred Fire of Eternal Love into everything around you, be not concerned about Its results. Pour It forth and let It reveal to you that which you shall behold—and beholding, you will understand. And if you care to use My Two Secret Rays as a Mantle of the Sacred Fire about you, It will keep you more steadily aware of My Assistance and My Action in physical conditions for the Defense of that which is of the Light.

So, Blessed Ones, I thank you with all My Heart for this privilege tonight, and as you call this Power into outer action, surge It forth! surge It forth! surge It forth! and

through this, demand the Annihilation of that which is not the Perfection of the Light for Eternity in this world. And you will find Us many times nearer than you dream and closer than hands and feet. We will be as near to you as your own Heart's Flame as you call this Power into outer action.

Those of you who are entrusted with this opportunity, if I were you, I would be silent about It except to give your Decrees and use It. Give no explanation to the outer world. Go on and use the Power and let Its Momentum in your affairs reveal the Mastery which It brings you, and let the outer world wait for the Explanation until the Defense of the Light has taken Its Dominion forever. And I plead with you with all you are and have: use, use, use these Two Secret Rays and the Secret Power from the Great Central Sun—of the Sacred Fire that is always Invincible Protection about all in the National Defense.

You have the Defense of the Light from the Heart of Creation, and Its Fiery Love offers Its Help to that which is trying to hold to the constructive way of Life at this time. There are Limitless Legions of Beings who can come to your assistance and draw these Dispensations into outer action and hold that Power expanding until the Defense of the Light rules the world, and that which has been of the hordes of the shadows is drawn within Mighty Astrea's Cosmic Circle of Blue Flame and removed from the Universe forever.

So, My Loved Ones, if you will accept the Mantle of My Love, within It will always abide with you My Two Secret Rays; and the Secret Powers from the Great Central Sun will begin to reveal Themselves to you for use. And only by use will They grow and expand and give to you Their Blessings. You may remember some of the Words I have spoken tonight,

but your real appreciation of the Help We offer will be determined by the use that you make of these Two Secret Rays and the other Secret Powers of the Sacred Fire from the Great Central Sun which you draw into your physical conditions and the world about you. Your understanding will be determined by the amount of use that you make of this which We have offered.

I clothe you in the Mantle of Our Love, and may the Power of the Two Secret Rays that reveal the Action of the Unfed Flame ever abide within you and around you, and give you Their Boundless Gifts and Powers and Blessings and Protection without limit, that you may go forth Invincible, and draw these Powers into outer action for the Defense of the world, for the Defense of the Light, for the Defense of all under this Radiation, and for the Protection of those in your National Defense.

I leave you to the enjoyment of this Perfection which Love alone can give—and the world must have if the hordes of the shadows are to be removed from Life. And since the Destiny of America is the Freedom of the Ascended Host, then the hordes of the shadows must be removed from your Land. And as America's Light expands these Secret Powers from the Great Central Sun will you find the hordes of the shadows of the rest of the world removed forever. Ever abide within the Love and the Help and the Power We offer, and We shall ever bring you greater and greater and greater Blessings for the Mighty Victory that must come to the Earth and set it Free forever. Your Beloved Saint Germain, the Blessed Jesus, Beloved Godfré, ever stand waiting to give you more as you use and use and use this which opens the Door to the boundless Powers that will bless you forever.

I commend you to the Freedom and the Love and the

Gratitude that shall flow to you from the Hearts of the Ascended Host as They remove the hordes of the shadows, and mankind come Home into the Light, and the Love of Eternity takes the place of that which has cast a shadow upon God's World of Love that must forever remain the Perfection of Life. Thank you. And may the Legions of the Angelic Host ever draw about you these greater and greater and greater Powers as you use Them for the Freedom and Defense of the Light throughout the Earth. Thank you with all My Heart.

## GODDESS OF LIBERTY

JULY 4, 1964

**“I AM”** THE GUARDIAN OF ALL THE LIGHT WITHIN YOUR LIFE STREAMS as It affects the Protection of your city or the Nation or the world or the Divine Way of Life to which this Nation is dedicated and consecrated—which is Its Destiny, and which It must fulfill. Blessed Ones, each of you is very important in the Protection of the Nation. Who of you can tell Me what is the last ounce of energy, if it be destructively qualified, that could swing the mass accumulation into violence? Or who can tell Me what is the last ounce of energy that could hold steady the energy of the feeling world of a mass of people in the city or the Nation that would hold to the constructive

way of Life, and permit the Cosmic Law to hold Protection against exactly what you decreed against this afternoon—against the third episode of Washington’s Vision?

I am quite sure if you ever saw what’s intended, nothing would ever matter to you personally. Nothing would cause you to be disturbed! Blessed Ones, I will stand your Guard with everything the Love of the Heart of the “Mighty I AM Presence” contains; but We must have the cooperation of your own Free Will and the Obedience of the feeling world to hold to this. And then the Power We can draw in and around you is absolutely without limit. One person could be clothed in a Sun Presence of Our Sacred Fire that could protect a whole city. That’s what I am pleading for. The responsibility is very great to hold to that which is constructive, and it is very great reaction to the individual if he or she does not hold that Protection for the people in a city or the Nation.

No one can tell what is the last wave of energy that will affect millions of people; and I am quite sure you do not want to ever be a part of that which would destroy your city or your Nation or the Ideals for which the Nation has been brought forth, dedicated, protected, and brought to this point which must be taken further to the Victory of the Ascension and the world. So when people want Peace, they must hold It within themselves first. They can never have It out here until It is Eternal within. If people want Peace in the world around them, they must, first of all, be the Flame of Peace within that nothing can enter. . . .

# Expansion of This Light

## BELOVED MIGHTY VICTORY

**I**f your motive is to purify the Heart of the World, which this Nation is, and give back to Life this Blessing because of all the Blessings you have received in this “I AM” Activity, then, because the Nation needs an increase of this Light Substance from the Ascended Masters’ Octave to be enough Purity within the Nation to protect it against the hordes of destruction—if your motive is to draw enough to save the Nation, then a greater amount of that Cosmic Light Substance, every time you make the Call, can come into you and around you in your own affairs to be the Expansion of that Light in the Nation that strengthens everybody and

everything you contact that is constructive, and helps to protect and illumine it, so that it becomes the repelling force to the hordes of destruction that otherwise would take over if the Light does not come intensely enough.

So this which you call “Victory” is the lowering of the Cosmic Light Substance from the Ascended Masters’ Octave into the physical octave, the lowering of these Activities of the Sacred Fire into the physical structure of the earth you tread upon, into the physical structure of your own flesh bodies, into the physical structure of the food you eat and the garments you wear, into the physical structure of everybody and everything that you use everyday in your outer physical activities.

You become charged enough with the Ascended Masters’ Cosmic Light Substance to blaze everywhere Our Indestructible Purity and Our Cosmic Control of physical conditions in the physical world around you in which you move. This is what must come within the Nation to prevent the third episode of Washington’s Vision. There is only one Victory, and that is Indestructible Purity—which is Indestructible Harmony—and if you have Indestructible Purity and Indestructible Harmony, you can have Power unlimited. . . .

There are uncountable Legions of the Angelic Host who manifest. There are uncountable Miracles of Perfection within It. There are uncountable Manifestations within It that can be drawn into this world, established as a Blessing here for Eternity that shall forever expand until this world becomes the Ascended Masters’ Octave.

### GODDESS OF LIBERTY

**I**t is not by accident, I assure you, that the Symbol of Myself stands in New York Harbor with the Flame of Liberation. (*applause*) Thank you so much, Blessed Ones. And just as that Sacred Fire stands there for the Liberation of the Nation, do I stand as your Cosmic Mother—with that same Flame—ready to liberate you from the human problems and conditions in the world around you. Tonight I offer this with all the Power of My Love, My Authority, and My Liberation to Life as you call the Sacred Fire's Ascended Master Dominion over human creation in and around yourselves for your Freedom and the Freedom of all you contact, all you love, all you have the opportunity to assist.

There are uncountable Legions of the Sacred Fire that can surround a locality or an activity or an individual on the instant with such Sacred Fire as to make everything of human creation tremble before the Power of Its Mighty All-authority and Cosmic Control. This is offered to you for your Protection, your use, and your Service to your Nation, to save and protect that which is of God within your borders—and has been given to you as God's Trust of Life to protect and assist the rest of the Life within the Nation that wants the constructive way of Life. (*applause*) Thank you so much.

## VIOLET FLAME GROUP MEETINGS

Our Beloved Ascended Master, Saint Germain, has said that He would appreciate it greatly if every “I AM” Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every “I AM” Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every “I AM” Study Group to give at least fifteen minutes of Violet Flame Decrees or longer. We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply, and Victory for the “I AM” Students, as well as the Nation.
