Beloved of My Heart, once again We meet; and again I have to remind you of the Marvels of My Beloved Violet Consuming Flame. May you feel tonight Its Cosmic Concentration throughout not only this whole System of Worlds, but especially

through all on this Earth, because as It intensifies in outer physical conditions, there will come within you the greater Love and the greater Use of Its Power. So, try to feel that you are demanding the Invincible Power of the Violet Consuming Flame in Cosmic Action into yourselves and into everybody and everything you contact.

It is imperative that this come in Cosmic Action; and therefore, as It intensifies throughout the atmosphere of Earth, you who give It conscious recognition can have very much greater Use of Its Power in yourselves and in your affairs.

Beloved Ones, you've just begun to realize what the Powers are of that Violet Consuming Flame in outer physical conditions. The scientific world is contacting certain Cosmic Actions of this Violet Consuming Flame. They may have all kinds of labels on It; but those of you who will do as I have said tonight, will have all the individual experiences you could ever desire in your affairs, in and around yourselves, and in your assistance to your fellowman.

This is naturally My Service to you, to hold a concentrated Action of the Violet Consuming Flame in and around you in everything you do. But when you begin to demand the Power of Its Cosmic Action in you individually, then there is almost an unlimited release takes place every time you call. There is no limit to what you can do with It. There is no limit to the Power of Its Presence with you. And there is no limit to that which you wish to accomplish. I am going very enthusiastic about My Violet Flame again tonight. (*applause*) Thank you, Precious Ones. Because the more I love It, the greater grows Its Cosmic Action for My Use.

That is the way I concentrate It—is by My Love to It. And the moment My Love goes to It, It comes back to Me in Infinite Cosmic Action; and so it is with you. The more you think of a thing, the more energy you put into it. The more you love it, the more of its Perfection you draw into yourselves. So, the more you think of this Violet Consuming Flame, the more your own Life goes into connection with It. The more you feel It, the more It comes back into your own outer use in physical concentration.

You see, there are so many wonderful activities, Precious Ones, within the Violet Consuming Flame! It can accomplish so much for you, that as you dwell upon It more and more, as you use It more and more, Its Power becomes greater in Cosmic Service to you. Remember My saying to you, “Energy becomes Power through use.” The Violet Consuming Flame becomes Victory and Mastery for you through use; and your attention upon It is the connection through, of your Life to It. And your Love to It draws It back to you.

Now, whether that is into the Heart of your “Mighty I AM Presence” or to the Violet Planet or to Me or to Our Octave of Life, matters little. The Sacred Fire is One throughout Creation; and therefore, the moment your attention raises your Life into connection with a Focus of that Violet Consuming Flame and you send your Love there, instantly all Its Blessings are drawn back into you. Whether you see Them or not, now, matters not.

Train the outer self to feel and to know with every fiber of your being, that when you have sent your Love to that Violet Consuming Flame and have asked for It to come back, the response is instantaneous, because the upreaching

of your own Heart's Flame of Love to that Greater Action of the Sacred Fire draws back Its Greater Presence, Power, and Activity into you and your world. And the more you use It, the more you will have of It.

That's not always true, you know, about some things you use in this world. Sometimes you use them up, don't you? Well, the more you use of the Violet Consuming Flame, the more you have It in yourselves and your world. So, that is why, as a Divine Gift It ever expands Its Blessings to you—and Its Power. And there is no such thing as using It up! It will never run out. It can never give you anything but greater and greater Perfection. It can never produce anything but Happiness; and therefore, the more you use It, the more you have!

Now, with the outer world's affairs, the more you use what you have, the sooner you wear it out. Isn't that true of your clothing? Well now, this is the reverse. This is the way you'll draw Boundless Supply, Beloved Ones, into yourselves and your world, because if you have enough Violet Consuming Flame in and around yourselves and you use It enough, your human limitation cannot live longer. So It dissolves the obstruction to your Boundless Supply of every good thing.

It has this twofold action: The more you use It, the greater grows Its Power in and around you. The greater that Power grows, the more your human limitations are dissolved. So, It becomes for you a twofold Friend to not only come in and bring you the Power of all of Its Activities to use to accomplish what you desire, but It takes out of your world your problems and your limitations and struggle, besides giving you the Perfection of Itself. It

has not only the Dissolving Activity, but It has a certain Building Activity within Itself, to heal, to bless with Happiness, Prosperity, and Perfection. And I assure you, It beautifies all things.

The more you use It, the more you lose your human limitation. The more you use It, the more you fill your world with Our Perfection of Life, because the Violet Consuming Flame has to come from your “Mighty I AM Presence” and the Ascended Masters’ Direction of It to this world.

So, Blessed Ones, that Violet Consuming Flame—you can’t use It too much. It cannot do anything but bring you Happiness. And It does draw and *is* the Heaven of Our World that you can, of your own Free Will, draw into your world to produce here Its ever-expanding Perfection.

It is the Royal Power, Beloved Ones, of that “Mighty I AM Presence.” It’s the Royal Scepter of Mastery. It is the Royal Robe to Freedom. And It is the Invincible Protection that Love loves to give and that you can give to others as the great Divine Law gives to you. You are free, My Dear Ones, to draw this freely and give It freely to the rest of life; and in the use of that, you draw more of Its Presence around you and you release yourselves from limitation.

It is the Flame of the Transfiguration, and there is no progress and no Ascension ever accomplished without It. In the centuries past, when an Ascension took place, the one Ascending had to be shown this use of the Violet Consuming Flame, and the Higher Mental Body had to turn and pour that Violet Consuming Flame around the outer self in order to accomplish the Ascension. You can’t have the Ascension without Its use.

So, as you use It more and draw more of Its Power in and around yourselves through use and through blessing others, you're automatically raising yourselves nearer your Ascension. Do you not see Its Magnificent, Magic Power? (*applause—audience rising*) Thank you, Precious Ones. Won't you be seated, please.

I won't keep you much longer; but I wish you to know that the more you draw It in and around yourselves to dissolve and consume your limitations and produce greater Harmony, the more you are raising yourself to the Ascension. The more you draw It into outer use to help others, the more your own Violet Flame Power grows greater; and then you are again raising yourselves nearer your Ascension.

So, no matter where you send It, whether it be just to dissolve your own limitations or whether it be to dissolve the limitations of others, or whether It be used to purify the Powers of Nature and Forces of the Elements, no matter when and how you use It, you are raising your own self nearer your Ascension; and you are, at the same time, helping to raise the rest of mankind nearer the Ascension also. So, since you require Its Power, the more you use It, the more Its Power will bless you and the greater that Power grows to enable you to do greater things! And in that greater Service to Life comes your greater Freedom of the Ascension.

There is no one thing on this Earth, My Dear Ones, outside of your Knowledge of your "Mighty I AM Presence," that will bless you so greatly as your continual use of and Love to this Violet Consuming Flame—the Freedom of My Heart, the Glory of My Service to Life. And the Scepter of

Mastery is your continued use of It, until you have given so much, that all that is comes back to you to give you the Perfection of all.

So, Blessed Ones, go forward in all the Happiness that you know how to generate in your use of the Violet Consuming Flame. Fill every—I am going to say “idle moment” (*laughter*)—every unoccupied moment with the Violet Consuming Flame, holding the picture, loving It, demanding Its Power in and around you; and call forth Its Cosmic Action, Its Cosmic Power into all action, all substance of you and your world, to give you the Mightiest Power in the Universe to help all life wherever you abide. Then will that help to the rest of life be the Magnet of that Violet Consuming Flame’s Love that draws you to your own great Freedom.

It is the Glory of Creation! And no wonder, all down the centuries, the Royal Robes of Authority and Divine Rulership are Violet—and always will be, in this world. So, Beloved Ones, oh, feel so close to It tonight! Feel It in and around yourselves. And just keep demanding Its Cosmic Concentration in and around you with such Power that It raises all you contact into their Ascension, as you have called, and you must automatically gain your own. Now, let Us call It forth everywhere into the feelings of mankind to forever cut all life free from so-called death, and then will you find the world itself will bless you as it rises nearer to its own Perfection.

Oh, the service you can render by your Love to the Violet Consuming Flame! And Its Love to you is without limit. Its Infinite Joy is without limit in your use. And you can give It; and in the giving, you have still more

of Its Power to bless you, and you have greater Power to bless again all to whom you give It. So, It is Infinite! It is Eternal, ever Self-sustained, and ever expanding all that is Freedom to life! And it is My Great Joy and My Privilege to carry the Knowledge of Its Existence to mankind, until the fullness of their Awakening makes them love It as you do and draw Its Action into all outer things, to produce Perfection through Love and Its Power for Eternity.

So, thank you, Precious Ones. And I assure you, the Angels of the Violet Consuming Flame will reveal Themselves and show to you some of Its Mighty Miracles and Blessing and Joy, to encourage you and to make you feel the Master Power of Its Presence to do all things well. So, may you enter in, tonight, to the Cosmic Heart of Its Glorifying Love and feel Its Reality in the most powerful way possible, and know that your Freedom is here; and in that comes Freedom to the Earth.

I commend you to the attainment of every desire of your Heart. And the Fulfillment of the great Divine Plan is the Fulfillment of the Ascension for all, and that Violet Consuming Flame is Perfection without limit for Eternity. Thank you with all My Heart.
