

# **BELOVED MASTER JESUS, IN YOUR FLAMING PRESENCE COME!**

BELOVED MASTER JESUS, IN YOUR  
FLAMING PRESENCE COME!

*(alternate line)*

To America today!  
Come now! And hold full sway!  
Keep, keep all wrong away!  
Forever with us stay!

Protect us all each day!  
Heal all here now, Thy Way!  
Blaze all Thy Violet Ray!  
Bring Legions now! Today!

Make all now see Thee here!  
Protect all we hold dear!  
Control all far and near!  
Keep America's pathway clear!

A handwritten signature in blue ink, appearing to read 'Chanera' in a cursive script.
