THE VOICE OF THE “I AM”

BY THE ASCENDED MASTERS AND THEIR
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

THE ASCENDED MASTER INSTRUCTION ON THE “BELOVED MIGHTY I AM PRESENCE” was given to us by the Beloved Ascended Master Saint Germain, through His Accredited Messengers, our Beloved Mr. and Mrs. Guy W. Ballard.

The “I AM” Activity presents the Original Ascended Master Instruction given in the Books of the Saint Germain Series; in the monthly Magazine, *The Voice of the “I AM”*; and in other material released by Saint Germain Foundation and distributed through Saint Germain Press.

Beloved Saint Germain says: “The Ascended Masters’ Words in those Books always carry the Ascended Masters’ Radiation from the Ascended Masters’ Consciousness and the Ascended Masters’ Octave of Perfection

“I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the ‘I AM’* and on your recordings, taken out certain statements, added to them other comments, and published them in various books of the outer world. . . . The Ascended Masters’ Radiation is *not* in those books and will *not* be! So, I say that for everybody’s Protection. . . . You can read all the books on this Earth and you will not find the Radiation in any, that you find in the Saint Germain Series or *The Voice of the ‘I AM’* These Books at the Inner Level are bound in Covers of Jewels!”

Beloved Jesus

COMPACT DISC 01508

Beloved Ones of Our Hearts, I trust I may leave with you a Blessing today that will be very practical in your use of It in outer world conditions, and will at all times help you to hold the Harmony and the Protection that will make your Victory very much easier. And it is this: When We gave you the use of Our Ascended Master Consciousness, We gave you the use of the Energy of Our Life Streams in Our Feeling of Love to life, because We love life—all life—impersonally enough to want to help free it from all discord forever and recharge it with the Perfection of the Sacred Fire's Love that can never produce discord again in the Universe. But when We gave you the use of Our Ascended Master Consciousness, We also gave you the use of the Angelic Host's Love; and this is the point I wish to stress today.

When you are doing things in the outer world and you need Assistance to produce Perfection, call your "Beloved I AM Presence" and all the Ascended Host to charge not only into you, but into all outer activities with which you are concerned, the Angelic Host's Sacred Fire Love of Its Feeling to life, because when you call forth the Ascended Master Consciousness of the Angelic Host, you can have within that, many Activities of the Sacred Fire from Transcendent Heights

of accomplishment wherein the Power, the Momentum, is so great that It can instantly come into your outer physical conditions, fill them with that which is Perfection, hold Protection around that which is constructive, and at the same time fill you with Our Ascended Master Feeling of all the Power the Angelic Host wield to bless the people of this world, to protect what is constructive, and to make Victorious everything that fulfills the Divine Plan.

So, remind yourselves often when things seem discordant around you, to turn to your “Beloved I AM Presence” and the Ascended Host, and ask Us to charge into that discord the Ascended Masters’ Activity of the Sacred Fire, and the Ascended Masters’ Feeling of Love that holds control of the energy and the consciousness and substance in a condition, until the Divine Plan is fulfilled. And then, when you accomplish something constructive and you ask it to fulfill the Divine Plan, then if you will call the Love and the Protection of the Angelic Host’s Feeling in and around it, to protect it and to repel for Eternity everything that is of discord, you will be able to sustain, then, everything that you do that fulfills the Divine Plan, everything that is constructive, everything that brings you joy, and everything that is your security, in the future, of your protection.

Mankind has had a slight concept of the Guardian Angels; and very often, when the outer self has had tremendous Protection under crisis or certain circumstances, the outer self often refers to that Protection—“Well, my Guardian Angel must have given me this.” It could have been your Higher Mental Body, or it could be those of the Angelic Host who are always guarding anything and everything that is constructive, whenever Love makes the Call.

So, if you want the Power which the Angelic Host wield—and It is Unlimited in Its Mighty Victory—be sure you call forth the Ascended Masters' and the Angelic Host's Feeling of the Love that is Indestructible Protection around everything that fulfills the Divine Plan, around everything that is harmonious, and around everything that you are trying to expand in outer manifestation to help others to build a civilization, or to fulfill any condition of the outer world that needs correction or needs to be purified and have Perfection fill the place of the turmoil mankind has generated.

Now, in calling forth the Fulfillment of the great Divine Plan, try to remember It always contains within Itself Eternal Protection. It always contains within Itself Limitless, Indestructible Supply, Inexhaustible Supply. And It contains within Itself no problems—but the Wisdom and the Illumination. It also contains the Purity and the Love that everywhere brings Perfection and Happiness to life.

Then, when you have called into outer conditions that which you want to use in outer physical activity, call to the Guardian Angels of the Sacred Fire to enfold whatever you are creating or wish sustained, in the Ascended Masters' Sacred Fire Love that is Eternal Protection. And more than that, It is the Power of Our Love that forever expands everything that fulfills the Divine Plan in any set of circumstances. It keeps out human concepts. It keeps out human feeling. It keeps out limitations and, therefore, keeps out delay in the Fulfillment of your Calls. This is why I am bringing It to your attention, so you may have more Instantaneous Fulfillment of your Calls.

Just remember, everything that you want to accomplish in this world, so long as It be constructive, must be done by the Consciousness of your Higher Mental Body and the Ascended Host—because the outer activities of mankind do not contain the many things that are within the Divine Plan’s Fulfillment—so that what you do constructively is sustained and protected, and goes on just naturally expanding its blessing to the life in the world around you.

When you call forth the Ascended Masters’ Consciousness of what the Angelic Host can do for you, what the Angelic Host can pour forth in Their Feeling of Love, it will be no trouble for you to feel the continued Harmony that controls conditions, because as the Flame expands, It keeps consumed the pressure of discord in outer physical conditions that is constantly trying to interfere with the Fulfillment of the Divine Plan. Mankind has generated so much discord that is weighing heavily upon everybody at this time, that the emotional body of almost every Life Stream gets no rest from the pressure and discord in the feeling of conditions around the outer self, from either individuals or activities of your modern existence.

If you will begin to use the Ascended Masters’ Consciousness and Feeling of all that the Angelic Host can do for you, you will be amazed at the Magic with which you can accomplish things. You’ll be amazed at the Blessings that will come to you, because when you give the Ascended Masters the Opening by which We can expand the Sacred Fire of Our Love and the Sacred Fire of the Love of the Angelic Host, you will find the Legions of the Sacred Fire are a very, very Real, Tangible Power to use,

and always with you. It isn't like you had to call Them from somewhere. Your "Beloved I AM Presence," on the instant, can open the atmosphere, the upper atmosphere of Earth—and the Angelic Host, whose Love sustains everything constructive in the world—that can be opened and Its Blessings pour forth into you in many, many, many ways.

Now, in the Activity of Healing and Blessing and Happiness and Protection that the Music Angels can give when you call forth, into your outer physical conditions, the Ascended Masters' Feeling and the Ascended Masters' Consciousness of whatever Service the Angelic Host render through Music, you can, as time goes on, attune the outer self. And there will be times—when your devotion is great to your "Beloved I AM Presence" and you still the outer and purify it—many times, in a breath, your "Presence" can open the atmosphere of Earth and let you hear the Music of the Angelic Host, the Music that Their Love gives to life, the Music that is the Power of Healing. And It will bring in and around you Their Feeling of Instantaneous Healing as well.

The Healing Angels, the Music Angels, and the Protecting Angels are without limit; and most of Them are Ascended Beings—not all. Some of Them are the Angelic Host of the Sacred Fire who never have embodied, but have never contacted any discord. They are just constantly pouring forth Their Love and Their Feeling of that Love into manifestation everywhere, that Perfection may come into existence, be sustained and expanded, that mankind may use It. It will lift all into the Ascended Masters' Octave eventually.

So, We have a very, very great reason for offering you and reminding you often of the Ascended Masters' Consciousness, the Ascended Masters' Feeling, and the Ascended Masters' Use of the Ascended Masters' Consciousness to produce Manifestations that fulfill the Divine Plan. When you call forth Our Ascended Master Consciousness and Illumination of all that We know the Angelic Host can do for you, there will come within yourselves the greatest Happiness you could possibly imagine. There will come a Feeling within you of the closeness of Our Presence; and you will feel, at all times, that someone is near you that is the Master Control of physical manifestation. And you can be such a Blessing to the Powers of Nature and Forces of the Elements, you could be such a Blessing in the use of the Healing Power of the Angelic Host, that I cannot put into words that you will comprehend, now, the Blessings and the Joy that you can have if you set into action this which the Angelic Host can give.

Tonight, I trust I may leave with you the Feeling of the Way We live in the Feeling World of Our Octave of Life, wherein the Angelic Host are with Us constantly in producing Miracles and Manifestations of such Happiness, you cannot comprehend It until you see It and—by your own Call of your Love to your “Beloved I AM Presence”—let It open the atmosphere of Earth and reveal to you and release into your own use the Fulfillment of your Calls, through that Love that has no equal.

You cannot get this from the physical octave of Earth; but you can draw It into the physical octave by your Love to your “Mighty I AM Presence” and to the Angelic Host,

and your use of Our Ascended Master Consciousness, Our Feeling, and all that We know the Angelic Host can do for you, and all that It can do to correct conditions in this world.

Try to feel the closeness of the Angelic Host, because They have Blessings to give that are beyond words to describe. They act instantly, and They are always releasing the Sacred Fire of Their Love. This is what We want you to draw in and around yourselves to feel Their Presence.

Now I come to the Purpose of My Presence with you today. We want you to feel Their Presence; and when you love Them enough and feel Them enough, Their Visible, Tangible Presence will come through. (*applause—audience rising*) Thank you so much. Won't you be seated, please.

In every age the Angelic Host have given Their Blessings to help mankind produce Perfection. They have given Their Feeling and Their Illumination for mankind to use in physical conditions to produce Perfection that raises this world into the Ascended Masters' Octave; and that is why the Angelic Host are filling the atmosphere of Earth, the upper atmosphere. There are uncountable billions of Angels, whose Sacred Fire Love and Indestructible Purity produce the most Magnificent Manifestations you could ever desire, and all of which fulfill the Divine Plan of the Ascended Host.

And Loved Ones, do you understand what it takes, under the Great Law of Life, when people pass out of the body? There is always one or more of the Ascended Host to help that Life Stream be cut free from the discord that has shattered the Divine Plan of Its Fulfillment. When people pass from the physical body, there is always one or more

of the Angelic Host to help that Life Stream, as the Higher Mental Body renders Its Service and disconnects it from the Earth to give it the Ascension.

When, under mankind's frightful misuse of life through war, Life Streams are taken out of the body suddenly, those Life Streams go out quickly in the emotional body. But there are the Angels who render that Service and will help to enfold that emotional body in whatever Purifying Sacred Fire Love will help that Life Stream to be raised into the upper atmosphere of Earth, to rest between embodiments—until the Knowledge comes through by which that Life Stream can have the Ascension.

You have no idea what will come into your consciousness of the Perfection from the Ascended Masters' Octave when you make it a habit of calling forth the Ascended Masters' Consciousness and Feeling and Love of the Angelic Host. I offer this to you because mankind needs It. It is waiting to help you. There is no such thing as failure to those Great Cosmic Legions who have served throughout ages uncountable. These Beings are real! They hold Divine Law and Order in God's Universe. They are giving constantly of Their Perfection. They know only the Service of Love. And when We know that, We want you to know It. We want you to use Our Ascended Master Consciousness and Feeling of all We know the Angelic Host can do for you. And, Dear Ones, you can have such Miracles and such Manifestations as will give you Joy for Eternity!

Now I come to another point. When the time arrives for you to draw forth some of the Master Powers of your own "Mighty I AM Presence" by your Calls to your Higher Mental Body to release Its Greater Powers into

your outer physical use, you will need the Protection and the Assistance of the Angelic Host to enfold you in Their Sacred Fire while you use the Powers of your “Beloved I AM Presence” to produce Manifestations in the physical world that do fulfill the great Divine Plan. And in this, you can render tremendous service to other Life Streams that cross your path. You can call these Hosts of the Angels of the Sacred Fire to sweep into a condition and take the hordes of evil out of existence, sometimes in just one Flash of Their Flame.

This is what I mean when We say *use* Our Ascended Master Consciousness of all that the Ascended Masters know the Angelic Host can do for you, all They want to give you, and all that you can have in the use of Their Ascended Master Feeling.

If you were to fill yourselves with what the Ascended Masters know is in the Feeling of the Angelic Host, you could not be in distress. This is a very practical way to overcome the pressure and the discord of outer world conditions that shatter mankind, lifetime after lifetime.

So, from this hour, I hope you will become acquainted with some of the Angelic Host that have ministered with Me down through the ages. And that is why, when I said, “When I am lifted up, I will draw all mankind unto Me,” I do that, because the Angelic Host are the Projection of the Sacred Fire. They direct that Sacred Fire at My Call to change conditions from the lesser into the Greater, from the discord into the Purity of Eternal Perfection.

Will you accept Our Offer for the use of the Ascended Masters’ Feeling and the Ascended Masters’ Love to the Angelic Host that draws back to you Their Assistance,

many times in conditions that you do not even know exist; but They can protect you. They can provide ahead for you, and They will help your “Beloved I AM Presence” to fulfill your Calls. Your “Presence” wants you to have everything that is of Perfection. The Ascended Masters want you to have everything that is of Perfection. The Angelic Host want you to have It. Won’t you accept It? (*applause*) Thank you so much, Precious Ones.

So, when things seem to weigh heavily upon you, if you can just get a few moments by yourself and ask your “Beloved I AM Presence” to enfold you in Its own Heart’s Flame, and call the Angelic Legions to stand your guard and help you do what is constructive that fulfills the Divine Plan. Charge your outer feeling, the feeling of the outer self, with the Ascended Masters’ Consciousness and Feeling and Love of the Angelic Host; and you will automatically fill your world with that Perfection. It is as free as the air you breathe; and all it takes is your Love to your “Mighty I AM Presence,” your Love to the Angelic Host, and your Call for Their Presence with you to overcome the conditions of the physical world, and then to fill you and the atmosphere about you with Their Sacred Fire’s Love which you can use to help your fellowman.

You are not at the mercy of the destructive conditions of the outer world when Angel Legions uncountable abide in the Octave of Light and in the Ascended Masters’ Octave, awaiting an opportunity to draw into the physical world every Blessing the great Cosmic Law can permit and will give—when Love makes the Call.

This is why, when We have asked people to hold the Harmony and call Our Love and Our Peace into physical

conditions, We can send Uncountable Legions on the instant to envelop the individual or the condition, and hold there the Sacred Fire's Purity until It consumes the discord that is the limitation, the resistance, the mistakes, and the imperfection that torture life. This is a powerful Healing Activity that brings Victory without limit. You can have any momentum of this you want, if you will continue to use It and remember that We have offered Our Ascended Master Consciousness of all that We know the Angelic Host and Their Love can do for you.

Let Us fill you with and enfold you in Our Feeling of Our Love to the Angelic Host. Then you will begin to love Them as We love Them. Then when They come to assist you, it's just like a breath. There is no struggle. There is Perfection without limit, and this alone is Freedom.

The Violet Flame Angels that come under the Blessed Saint Germain's Direction are the most Wonderful Beings you could ever imagine; and They are awaiting your recognition, your Call, and your acceptance of Them in the lower atmosphere of Earth, that They may render Their Service in the physical octave for the Purification of the Nation and the World. Mankind cannot have Peace without Them.

This is why I said, " 'I AM' with you always," because the Love which I am to the Angelic Host draws constantly into physical conditions Their Purity, Their Love, Their Blessing, and Their Control of conditions in the physical world, until evil is compelled to cease to be and limitation is consumed, and mankind begins to live God's Way of Love and Light, and Freedom from distress for all Eternity. And I think that is desirable. (*applause*) Thank you so much.

When you ask your “Mighty I AM Presence” and the Ascended Host to charge you with Our Ascended Master Feeling and Love of the Sacred Fire Angels that makes Love alive within and around you—and I mean the Pure Christ Love that is Cosmic Purity and Illumination to every particle of life—It has no selfishness in It, no personal attachment. It just lets flow the Love from the Great Central Sun; and wherever It flows, It purifies, harmonizes, perfects, and raises all into Greater Manifestation that is Happiness Supreme and Freedom for Eternity.

The Protecting Angels can, without limit, blaze Their Sacred Fire; and when Their Feeling of Their Love surrounds a condition, I assure you mankind’s destructive creation cannot reach through and produce destruction. This is a Powerful Protection, as well as a Healing Power that everyone can have if you make the Call, establish the habit, and let Us have the Opening by which We can draw into the physical world the Blessings from Our Ascended Master Octave, and raise this world into the Sunshine of Our Love and into the Sacred Fire of the Angelic Host’s Perfection and Peace and Protection of Eternity. It is the great Treasure House of existence, because the Sacred Fire is the Treasure House and It contains all of everything. Mankind cannot exist without Its Blessings.

So, as you go forward, if you care to use the Ascended Jesus Christ Angels of My Love and My Feeling to Life, to do for you what fulfills the Divine Plan, you will give Me the Opening by which I may come closer and closer into your outer activities, until that day when the atmosphere parts and, because They have held the Purity and Love around you, I can step through and talk to you face to face. (*applause*) Thank you so much.

All We have asked mankind to do is to accept Our Love of Our Life, that It may bring Perfection into outer existence and shut off mankind's creation of evil. The Great Cosmic Law has provided the Angelic Host to do this and bring this Manifestation into the physical conditions of this world, to correct mankind's mistakes, to purify all in the physical octave, and to replace human distress by the Love and Peace of the Angels of Healing and the Angels of Love and the Angels of Peace, to make this world like the Ascended Masters' Octave and reveal the Perfection that the Divine Plan wants to bring into Manifestation in this world, to make it the Ascended Masters' Octave for Eternity.

When you think of the Mighty Victory's Almighty Angels of Sacred Fire Love's Indestructible Victory, you will be breathless, almost, with Love and Adoration to those Beings who are all of everything that can produce Perfection for Eternity; and It is ever expanding Its Freedom to life.

I commend you to the Ascended Masters' Feeling; and you can use My Ascended Jesus Christ Feeling of My Ascended Jesus Christ Consciousness, and My Ascended Jesus Christ Angelic Host to come to help you and bring into this world the Love of Eternity that raises all into the Ascended Masters' Octave of Perfection. May you enter in, dwell within It, use It without limit; and as you call It forth to bless the rest of life, you must of yourself become that Perfection also.

So, I give My Peace, as I said before. I give My Peace unto you—not as the world giveth, give I unto you. I give you the Peace of My Ascended Jesus Christ Feeling and My Love of the Angelic Host, to give you

the Blessings of Eternity that forever lift all into the Ascended Masters' Octave. Use It, Beloved Ones, and call It into the physical conditions of this world, to live as comfortably as possible until the hour of your Ascension. And may the Angelic Host come to you, visible and tangible, and you feel Their Love with such intensity that you, too, become that same Sacred Fire Blessing to the rest of life wherever you abide.

I leave you clothed in My Heart Flame's Love to the Angelic Host; and may every Blessing They contain and can give and can expand in that Love, enfold you and lift you forever into your Eternal Freedom. Thank you with all My Heart.

BELOVED JESUS' BLESSING

My Peace I give unto you—not as the world giveth, give I unto you! My Peace I leave with you! My Peace shall ever enfold you, that you may dwell forever in the World of My Heart's Love, until Our Service of the Centuries is finished and mankind no longer creates discord for any reason!

ACTIVITIES OF THE *Violet Flame*

MIGHTY VICTORY

As you call that Violet Flame in Its One Mighty Stroke into action everywhere, know that is the Presence of the Victorious Cosmic Christ. And many times within that Violet Flame can come an Ascended Master, an Angel, or a Cosmic Being, who for the moment will concentrate that with enough Power to correct conditions quickly and permanently in the outer activities of your world. The Great Violet Flame Itself is an Activity of the Great Central Sun Magnet, because It reaches in with Its Purifying Power and draws the energy and substance out of the destructive rates of vibration, up into the Cosmic Christ Love that is Perfection.

When you demand the Cosmic Law's Annihilation of all stubbornness in all life, by this Cosmic Christ Force of the Violet Flaming Christ which you used tonight, you will be amazed at the Blessings that will come into outer conditions to remove your problems and your struggle and your interference and the mistakes of the past. It is stubbornness that has created mistakes, because the feeling of discord interfered with the reason holding the balance of the mental faculties.

BELOVED SANAT KUMARA

Many times all of you blessed ones have tried to pour kindness to an individual that is ranting like a buzz saw, and you haven't been too successful in the presence of the other individual. Well, if you will separate the auras, get away from each other, and then, going by yourself, be still until you get control of the energy of your own feeling world, and then, lifting it, ask the "Presence" to pour whatever Cosmic Christ Violet Flame is necessary to correct the condition or to protect you from it. As soon as you hold that stillness a few moments, the "Presence" will be in action pouring the Violet Flame in Its Cosmic Christ Love into the energy of the other person's feeling world until it becomes settled.

Now, with this intense use or greater use of this Cosmic Christ Violet Consuming Flame for which We have called, you can move in the midst of these other conditions, insulated in your own atmosphere—provided you have called enough for that Violet Consuming Flame to enfold you, and you keep sending It out.

Here is the Secret! If you keep It flowing continually into the atmosphere about you, It keeps the atmosphere pure.

MRS. G.W. BALLARD

September 22, 1968

The Diamond-Shining Love will heal the people of this world, especially those under this Radiation, all for whom we call. To show you—this is not to exploit anything I have done, past or present; but I want to just refer to an experience. Some of you have heard me say this.

Sometimes in just a few minutes, maybe twenty minutes or half an hour, music can change the whole vibratory action of the body. I had my Harp Studio in Chicago; and right after the first world war, a gentleman came along one day and said, “Can this gentleman who just returned from the war come in and listen to you practice?” Well, I met the gentleman, and I said, “All right. Come in and sit down.” I didn’t know who he was, but he was shaking all over and kind of walking on his toes. I asked him to be seated, and I commenced to play something that had a good, lovely melody. It was sort of a waltz time, a lovely

THE BELOVED MESSENGER MR. G.W. BALLARD

Mexican melody. I watched his eyes. He was very kind of wild looking when he first came in. I tried several melodies. When I struck into one song that had such a lovely relaxing melody, I watched him; and when I began to play that, something changed that wild look in his eyes. So I kept going over that same melody for twenty minutes, and he stretched his feet out and said, “Lady, that’s the first time my body has been out of pain since I left the trenches.”

So, when we ask for the healing through music, there’s a very much greater power in music than mankind understand, if it’s the right kind of music; but there are many things that are called music that are not music. But if we’ll call for the Diamond-Shining Love of the “I AM” Miracle Music of the Spheres and the Diamond-Shining Love of Beloved Lord Maitreya or Beloved Sanat Kumara or Blessed Saint Germain, Jesus or Daddy, any of the Ascended Masters or Cosmic Beings, the Diamond-Shining Love’s Control of everybody and everything under this Radiation, It heals instantly and for Eternity.

I want all of you to have this experience, so that when people of the outer world become aware of some of the Miracles and Miracle Manifestations that can take place, you will understand how it is the privilege of anyone who understands this Law to call into outer physical conditions that which forever heals, not only the immediate condition of the individual, but whatever heals the entire Life Stream from the accumulation of the past. And I mean by that, compels the expansion of the Light from the Higher Mental Body through the outer self, until the human creation around the outer self has been compelled to be consumed—or repelled, until the “Mighty I AM Presence” or one of the Great Ones helps to consume it.

If you demand Miracles of the Will of God, Miracles by the Heavenly Love of Perfection's Flame, how could We deny you those Miracles? Don't you realize that all the Great Powers of Life that are used throughout Creation to produce the Magnificent Manifestations that appear everywhere in the Heavens, everywhere on your

Earth, all of that is the Will of Heavenly Love! Oh my, try this for tomorrow and demand of your “I AM Presence” that you live every moment that day and do the Will of the Heavenly Love of the “Mighty I AM Presence”! And when you do the Will of Love, all that is of Perfection will seek you out because you can command that to become Eternal.

Forbid the outer self ever again to use any energy in manifestation that does not do the Will of the Heavenly Love of the “Mighty I AM Presence” in the Great Central Sun! And when you say to your “Beloved I AM Presence,” “Make me in all outer action the Heavenly Fire of Your Heart’s Flame, and do Your Will through me to produce Perfection forever,” your “Beloved I AM Presence” will keep the Door open for you to use many things that It can give you which, as yet, you have not used in the outer life.

Command the outer self many times a day, as if you stood apart from it; and when you say, “‘I AM’ the ‘Mighty I AM Presence’ of Perfection’s Flame, and I command you to do the Will of the Heavenly Love of the ‘Mighty I AM Presence’ and make that Love live in everything in the outer world,” then Perfection automatically lives and manifests at your Command.

Now, when you see conditions in which Perfection does not seem to exist, conditions that are destructive, you have all Authority and Power to call forth to Me, or any of the Ascended Host, and demand the Ascended Jesus Christ Authority of Heavenly Cosmic Christ Love, to make that Love and Its Cosmic Fire live within the condition that is manifesting discord. And when the Flame descends to begin Its Expansion there, of the Will of Divine Love, then It will shatter apart that which is discordant.

You just prove to yourselves, Beloved Ones, for one day, what the change is in your feelings when you, just with great joy and devotion, demand of your “Presence” that It so possess the outer self that It compels it to do the Will of that Heavenly Fiery Love of the “Mighty I AM Presence” in the Great Central Sun and produce here what holds Perfection forever, because Perfection must come from within this Heavenly Love and the Flame must come into outer manifestation and outer existence if the manifestation you desire is to come forth in the physical octave.

And may I say to you again: Only the Heavenly Love of Our Cosmic Fire can draw here the things that are already perfected in Our Octave, in Our World—which We have drawn forth by Our Love to serve you when you have made up your mind to do only the Will of that Heavenly Love which never accepts or produces discord! Then will you know what it means to do the Will of God on Earth, because you must call It forth consciously, Beloved Ones. A great many people in their feeling world just love to remain harmonious; but I am showing you the Powers of Mastery which I had to use in order to conquer destructive conditions and leave the Example of the Ascension.

As you approach that Outpouring this week—which will, I guarantee you, be of terrific Cosmic Concentration this time, the most powerful that has ever yet been drawn onto the structure of Earth itself—give Me this recognition until Thursday noon. And see for yourselves what the Will of Cosmic Love can do for you in outer conditions when you say:

“BELOVED MIGHTY I AM PRESENCE”!

Possess me and do Your Will through me and make me Your Cosmic, Heavenly, Healing Fire of Love Supreme! And let Thy Will be done on Earth through me as It is in the Ascended Masters’ Octave! Do Thy Will in and through me on Earth, to produce the Perfection of Cosmic Christ Fire, Cosmic Christ Love, Cosmic Christ Freedom, that brings Divine Order and Divine Justice to life! Do Thou Thy Will in me; and let the Heavenly Love from the Heights of Creation reveal in me and my world Thy Will done on Earth as It is in the Great Central Sun! Let Thy Will be made manifest in me as the Heavenly Fire of Love Supreme, whose Eternal Command and Everlasting Happiness brings all into Perfection and turns all into the Light of God that casts no shadow and none could ever change! Let Thy Will be done in me by the Love of the “Mighty I AM Presence” in the Great Central Sun! Let Its Fiery Essence become the Glorifying, Transfiguring Flame within my body and my affairs, until I stand forth charged with the reality of Perfection’s Flame to render my service to life and set my fellowman free! Make me the Great Central Sun Magnet’s Almighty, Heavenly Love! And then let the Will of Cosmic Christ Love in me blaze Its Flame, until Its Cosmic Fire changes everything into Its Eternal Love!

Beloved Saint Germain

CHICAGO, ILLINOIS • JANUARY 14, 1956
RECORD CD 260-2; CASSETTE 6 0418-2

Beloved of My Heart, once again We meet; and again I have to remind you of the Marvels of My Beloved Violet Consuming Flame. May you feel tonight Its Cosmic Concentration throughout not only this whole System of Worlds, but especially

through all on this Earth, because as It intensifies in outer physical conditions, there will come within you the greater Love and the greater Use of Its Power. So, try to feel that you are demanding the Invincible Power of the Violet Consuming Flame in Cosmic Action into yourselves and into everybody and everything you contact.

It is imperative that this come in Cosmic Action; and therefore, as It intensifies throughout the atmosphere of Earth, you who give It conscious recognition can have very much greater Use of Its Power in yourselves and in your affairs.

Beloved Ones, you've just begun to realize what the Powers are of that Violet Consuming Flame in outer physical conditions. The scientific world is contacting certain Cosmic Actions of this Violet Consuming Flame. They may have all kinds of labels on It; but those of you who will do as I have said tonight, will have all the individual experiences you could ever desire in your affairs, in and around yourselves, and in your assistance to your fellowman.

This is naturally My Service to you, to hold a concentrated Action of the Violet Consuming Flame in and around you in everything you do. But when you begin to demand the Power of Its Cosmic Action in you individually, then there is almost an unlimited release takes place every time you call. There is no limit to what you can do with It. There is no limit to the Power of Its Presence with you. And there is no limit to that which you wish to accomplish. I am going very enthusiastic about My Violet Flame again tonight. (*applause*) Thank you, Precious Ones. Because the more I love It, the greater grows Its Cosmic Action for My Use.

That is the way I concentrate It—is by My Love to It. And the moment My Love goes to It, It comes back to Me in Infinite Cosmic Action; and so it is with you. The more you think of a thing, the more energy you put into it. The more you love it, the more of its Perfection you draw into yourselves. So, the more you think of this Violet Consuming Flame, the more your own Life goes into connection with It. The more you feel It, the more It comes back into your own outer use in physical concentration.

You see, there are so many wonderful activities, Precious Ones, within the Violet Consuming Flame! It can accomplish so much for you, that as you dwell upon It more and more, as you use It more and more, Its Power becomes greater in Cosmic Service to you. Remember My saying to you, “Energy becomes Power through use.” The Violet Consuming Flame becomes Victory and Mastery for you through use; and your attention upon It is the connection through, of your Life to It. And your Love to It draws It back to you.

Now, whether that is into the Heart of your “Mighty I AM Presence” or to the Violet Planet or to Me or to Our Octave of Life, matters little. The Sacred Fire is One throughout Creation; and therefore, the moment your attention raises your Life into connection with a Focus of that Violet Consuming Flame and you send your Love there, instantly all Its Blessings are drawn back into you. Whether you see Them or not, now, matters not.

Train the outer self to feel and to know with every fiber of your being, that when you have sent your Love to that Violet Consuming Flame and have asked for It to come back, the response is instantaneous, because the upreaching

of your own Heart's Flame of Love to that Greater Action of the Sacred Fire draws back Its Greater Presence, Power, and Activity into you and your world. And the more you use It, the more you will have of It.

That's not always true, you know, about some things you use in this world. Sometimes you use them up, don't you? Well, the more you use of the Violet Consuming Flame, the more you have It in yourselves and your world. So, that is why, as a Divine Gift It ever expands Its Blessings to you—and Its Power. And there is no such thing as using It up! It will never run out. It can never give you anything but greater and greater Perfection. It can never produce anything but Happiness; and therefore, the more you use It, the more you have!

Now, with the outer world's affairs, the more you use what you have, the sooner you wear it out. Isn't that true of your clothing? Well now, this is the reverse. This is the way you'll draw Boundless Supply, Beloved Ones, into yourselves and your world, because if you have enough Violet Consuming Flame in and around yourselves and you use It enough, your human limitation cannot live longer. So It dissolves the obstruction to your Boundless Supply of every good thing.

It has this twofold action: The more you use It, the greater grows Its Power in and around you. The greater that Power grows, the more your human limitations are dissolved. So, It becomes for you a twofold Friend to not only come in and bring you the Power of all of Its Activities to use to accomplish what you desire, but It takes out of your world your problems and your limitations and struggle, besides giving you the Perfection of Itself. It

has not only the Dissolving Activity, but It has a certain Building Activity within Itself, to heal, to bless with Happiness, Prosperity, and Perfection. And I assure you, It beautifies all things.

The more you use It, the more you lose your human limitation. The more you use It, the more you fill your world with Our Perfection of Life, because the Violet Consuming Flame has to come from your “Mighty I AM Presence” and the Ascended Masters’ Direction of It to this world.

So, Blessed Ones, that Violet Consuming Flame—you can’t use It too much. It cannot do anything but bring you Happiness. And It does draw and *is* the Heaven of Our World that you can, of your own Free Will, draw into your world to produce here Its ever-expanding Perfection.

It is the Royal Power, Beloved Ones, of that “Mighty I AM Presence.” It’s the Royal Scepter of Mastery. It is the Royal Robe to Freedom. And It is the Invincible Protection that Love loves to give and that you can give to others as the great Divine Law gives to you. You are free, My Dear Ones, to draw this freely and give It freely to the rest of life; and in the use of that, you draw more of Its Presence around you and you release yourselves from limitation.

It is the Flame of the Transfiguration, and there is no progress and no Ascension ever accomplished without It. In the centuries past, when an Ascension took place, the one Ascending had to be shown this use of the Violet Consuming Flame, and the Higher Mental Body had to turn and pour that Violet Consuming Flame around the outer self in order to accomplish the Ascension. You can’t have the Ascension without Its use.

So, as you use It more and draw more of Its Power in and around yourselves through use and through blessing others, you're automatically raising yourselves nearer your Ascension. Do you not see Its Magnificent, Magic Power? (*applause—audience rising*) Thank you, Precious Ones. Won't you be seated, please.

I won't keep you much longer; but I wish you to know that the more you draw It in and around yourselves to dissolve and consume your limitations and produce greater Harmony, the more you are raising yourself to the Ascension. The more you draw It into outer use to help others, the more your own Violet Flame Power grows greater; and then you are again raising yourselves nearer your Ascension.

So, no matter where you send It, whether it be just to dissolve your own limitations or whether it be to dissolve the limitations of others, or whether It be used to purify the Powers of Nature and Forces of the Elements, no matter when and how you use It, you are raising your own self nearer your Ascension; and you are, at the same time, helping to raise the rest of mankind nearer the Ascension also. So, since you require Its Power, the more you use It, the more Its Power will bless you and the greater that Power grows to enable you to do greater things! And in that greater Service to Life comes your greater Freedom of the Ascension.

There is no one thing on this Earth, My Dear Ones, outside of your Knowledge of your "Mighty I AM Presence," that will bless you so greatly as your continual use of and Love to this Violet Consuming Flame—the Freedom of My Heart, the Glory of My Service to Life. And the Scepter of

Mastery is your continued use of It, until you have given so much, that all that is comes back to you to give you the Perfection of all.

So, Blessed Ones, go forward in all the Happiness that you know how to generate in your use of the Violet Consuming Flame. Fill every—I am going to say “idle moment” (*laughter*)—every unoccupied moment with the Violet Consuming Flame, holding the picture, loving It, demanding Its Power in and around you; and call forth Its Cosmic Action, Its Cosmic Power into all action, all substance of you and your world, to give you the Mightiest Power in the Universe to help all life wherever you abide. Then will that help to the rest of life be the Magnet of that Violet Consuming Flame’s Love that draws you to your own great Freedom.

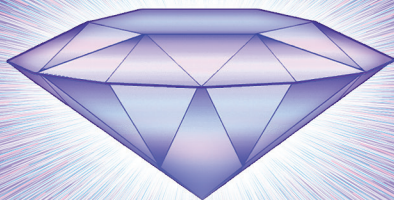

It is the Glory of Creation! And no wonder, all down the centuries, the Royal Robes of Authority and Divine Rulership are Violet—and always will be, in this world. So, Beloved Ones, oh, feel so close to It tonight! Feel It in and around yourselves. And just keep demanding Its Cosmic Concentration in and around you with such Power that It raises all you contact into their Ascension, as you have called, and you must automatically gain your own. Now, let Us call It forth everywhere into the feelings of mankind to forever cut all life free from so-called death, and then will you find the world itself will bless you as it rises nearer to its own Perfection.

Oh, the service you can render by your Love to the Violet Consuming Flame! And Its Love to you is without limit. Its Infinite Joy is without limit in your use. And you can give It; and in the giving, you have still more

of Its Power to bless you, and you have greater Power to bless again all to whom you give It. So, It is Infinite! It is Eternal, ever Self-sustained, and ever expanding all that is Freedom to life! And it is My Great Joy and My Privilege to carry the Knowledge of Its Existence to mankind, until the fullness of their Awakening makes them love It as you do and draw Its Action into all outer things, to produce Perfection through Love and Its Power for Eternity.

So, thank you, Precious Ones. And I assure you, the Angels of the Violet Consuming Flame will reveal Themselves and show to you some of Its Mighty Miracles and Blessing and Joy, to encourage you and to make you feel the Master Power of Its Presence to do all things well. So, may you enter in, tonight, to the Cosmic Heart of Its Glorifying Love and feel Its Reality in the most powerful way possible, and know that your Freedom is here; and in that comes Freedom to the Earth.

I commend you to the attainment of every desire of your Heart. And the Fulfillment of the great Divine Plan is the Fulfillment of the Ascension for all, and that Violet Consuming Flame is Perfection without limit for Eternity. Thank you with all My Heart.

GEMS OF LIGHT

BELOVED MIGHTY CYCLOPEA

Chicago, Illinois • January 1, 1970

If you want Supply of every good thing, whether it be money or things or friends or anything—from the air you breathe, to your Ascension—when you want Limitless Supply of every good thing, again you’re going to have to turn back to your “Mighty I AM Presence” and the Ascended Host to charge in and around you the Fulfillment of Its Divine Plan that brings Its Divine Plan of Supply to you Its Way—not the way your human intellect thinks it might be accomplished out here by doing this or that or something else that the human intellect brings to your attention.

The other part of your Boundless Supply is this: When you learn to charge everything you handle, with the Ascended Masters’ Sacred Fire Power without limit of Sacred Fire Love’s Indestructible Purity and Victory over everything human, and then everything you use that comes into your outer world’s use, if you’ll just take time out—it won’t take but a second to think It and send your Love to your “Presence” and the Ascended Host—to charge into everything you use whatever We know will fulfill the Divine Plan for that substance.

If you were to take every piece of money that you handle, and when you handle it, ask your “Beloved I AM Presence” and Us to charge it. Now, money is not the root of all evil. Selfishness is. But poor old money is nothing on Earth but substance, just innocent substance; but you don’t have that concept about it, and the world doesn’t have it. But it is just substance. It’s just paper or metal, whichever kind you have.

If you will say to your “Beloved I AM Presence” and to Us, “Blaze through me into everything I touch”—whether it be money, supply, or the things, the Powers of Nature, or the things you use. If you’d just make it a habit and say, “ ‘Beloved I AM Presence’ and the Ascended Host, charge into me, and through me into everything I contact, whatever You know will prevent all wrong,” and you will be such a Blessing to every bit of substance in this world, even to the air you breathe and to the things you use—whether they be temporarily or permanently, matters not. Just form the habit of asking your “Beloved I AM Presence” and Us to charge into everything whatever Sacred Fire Love We know prevents all wrong wherever it goes the rest of Eternity. We can flash into that a Light. We can flash a Flame of Our Love, which is a Vibratory Action, which is a rate of Vibration, into that substance, that no human being on Earth can change! That’s Indestructible Protection.

When you are concerned about charging into everything in this world that has blessed you—because this world has blessed you down through the ages—if everything the world gives you to use from time to time, you just make it a habit to bless everything with your own “Mighty I AM Presence’ ” Sacred Fire, Purifying Love and the Command

to your “Presence” and the Ascended Host that charges into it whatever We know prevents all wrong, everywhere it goes the rest of Eternity, anywhere it goes in infinite space—if it is returned to the universal, bless it with whatever prevents all wrong, which means all discord anywhere it goes the rest of Eternity—you couldn’t lack for even a sheet of paper. Your supply will be so overwhelming and will bring you such happiness, because if you are willing to charge everything you use in this world with what the Ascended Masters’ Sacred Fire Love and your “Mighty I AM Presence” know forever prevents all wrong, and you send that forth constantly, do you know what It’s doing to your body? When that Love goes forth and that Command goes forth, It has already blessed the cells of your body. Its rate of Vibration has passed through the cells of your body and can’t help but keep your body perfect.

When these Master Powers of Life are all contained within the Sacred Fire’s Love and the Ascended Masters’ Consciousness, and if mankind would only draw It here, whoever is willing to draw Our Sacred Fire Power and Love and Perfection to Life into the outer self, and pour It then into everything you use, you couldn’t lack for a pin. The Blessings would be so great in your mind, in your body, in your affairs and the atmosphere about you, the Powers of Nature would bow to you and give you Their Blessings. This is the Fundamental of Precipitation, because you’ve got to love substance if it’s going to come into your hands at your Conscious Command and produce the manifestation of something that is constructive.

VIOLET FLAME GROUP MEETINGS

Our Beloved Ascended Master Saint Germain has said that He would appreciate it greatly if every “I AM” Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every “I AM” Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every “I AM” Study Group to give at least fifteen minutes of Violet Flame Decrees, or longer. We want this added Power in every Group, including the Fundamental lessons, for greater Protection, Supply, and Victory for the “I AM” Students, as well as the Nation.

**Lovingly, “I AM,”
